

We get our community more. Here's how.

Cleaning Up Coxs Bay

Earlier this year the Ray White Ponsonby team in conjunction with the Waitemata Harbour Clean Up Trust pulled on their gumboots and gloves and set about cleaning up Coxs Bay and Meola Creek.

We dug, hauled, and picked up everything from tyres to road cones to boat debris to plastic bags to food wrapping filling countless cleansacks and a trailer full of rubbish.

Just like your home, our inner city beaches and foreshow are valuable assets to protect and care for..

Charity Auction for Christchurch

Ray White Ponsonby is part of a nationwide community - the Ray White network of real estate professionals.

We wanted to show our support for our colleagues in the garden city and for the Christchurch community as a whole.

Our salespeople got to work cajoling and persuading many local businesses to contribute quality items and vouchers to be auctioned on Ponsonby's Market Day.

The Ponsonby business community are a generous bunch. The result was a lot of fun, but more importantly a cheque for nearly \$10,000 to contribute to the Red Cross fund for Christchurch..
